

Adar Cohen

PRESSKIT

„Work is done in Haifa, prayers in Jerusalem and parties in Tel Aviv“ - and that's just the way it is. As an integral part and one of the pioneering artists in Tel Aviv's minimal & micro house scene, Adar Cohen has become a trademark at the mediterranean coast. Together with her crew clouds collective she started with hosting own events and parties. Creating a space like non other with the ability to spread smooth vibes that easily let you forget everyday life for a moment. At her residency at The Block - the most important club in the country - she regularly embarks on a journey of sound, capturing the crowd like only a few are able to. Driven by the passion of music she is also into producing. An upcoming release on Afterhours is only the beginning with more to follow in the near future. Adar Cohen is an incredibly talented selector who brings hypnotizing quality sounds from international underground artists to the Israeli scene & way beyond it's borders.
